

# LAKE LIVINGSTON TELEPHONE COMPANY LIVINGSTON, TX

## **Historical Information**

- Lake Livingston Telephone has been serving the Memorial Point area since 1974. We were the first to provide touch-tone dialing in the East Texas area, which serves the Lake Livingston area. Since that time we have upgraded with new digital equipment and are continuing to upgrade the outside plant facilities to meet the demands of new technology.
- Lake Livingston Telephone Company is proud to have played different roles in the community through various youth and community projects. We are members of the Polk County Chamber of Commerce along with various state and county organizations.

## **Current Services**

- Today we currently serve approximately 1,050 access line in the Polk County area.
- Since 1996 we have constructed over 100 miles of both copper and fiber optic facilities in the Lake Livingston Area.
- We offer enhanced services such as Call Forwarding, Call Waiting, Caller ID (name and number delivery) along with many more features.
- Beginning in 1999 we started providing 56K Dial-up Internet service to all of our customers.
- Starting in 2001 we began offering High Speed DSL Internet to all of our customers.
- In 2006, we began offering various TV packages using IPTV technology.

## **Advanced Services for the Future**

- Lake Livingston Telephone Company will pursue any new services necessary to provide the best service to our community and to our customers.
