

Texas has enjoyed a positive economy for years and, therefore, must address major decisions on how to meet the challenges created by that growth.

Our industry could be challenged with a number of legislative issues that would negatively affect our business. To ensure a positive outcome, everyone must become involved in the decision making process.

The candidates elected in 2008 will be the "decision makers" that impact our industry during the 81st Legislative Session. TSTCI relies on its PAC to assist those candidates who understand and support our industry.

In order to make a difference, we need your participation in two proactive solutions:

- ★ Investment in TSTCI PAC
- ★ Involvement in TSTCI Grassroots Programs

This will assure TSTCI will remain the "Voice of Rural Communication" in Texas.
