

FOR IMMEDIATE RELEASE

**YK Communications Given Texas Treasure Business Award
by the Texas Historical Commission**

APRIL 16, 2019 - YK Communications received the Texas Treasure Business Award from the Texas Historical Commission for its exceptional contributions toward the economic growth and prosperity of Texas.

Members of YK Communications management were presented the award by City of Ganado Mayor, Clinton Tegeler, at a State of the City event. The Texas Treasure Business Award Program recognizes the accomplishments of Texas businesses that have provided employment opportunities and support to the state's economy for at least 50 years.

As a family-owned business, YK Communications has for generations been dedicated to building strong connections. What began in 1948 as Ganado Telephone Company has evolved along with technology to become a go-to resource for a broad range of communications solutions.

“To receive an award like this is truly an honor,” said YK Communications President, Russell Kacer. “It not only pays tribute to those that built this company from the ground up, but it also speaks to the adaptability of our team in a world of ever-changing technologies and customer demands.”

YK Communications was one of six local businesses to be recognized by the Texas Historical Commission at this year's State of the City event. It was the first time businesses in Ganado received the Texas Treasure Business Award. Pictured in the photo are current and retired members of the YK Communications team.
